5 – 8 September 2007
Barcelona, Spain
Hotel Fira Palace

FIRST WORLD MEETING OF INTERDISCIPLINARY MELANOMA CENTERS

Note: Abstracts must not be sent by fax or e-mail as they will automatically be rejected.

You have to **SUBMIT THE ABSTRACT ONLINE**
Deadline, May 1st, 2007

Please follow the given instructions at:

www.melanomacentersmeeting.com (Preparation & Submission of Abstracts).

General Information

- Any abstract will not be accepted without **previous registration** to the congress of minimum one of the authors.
- **Deadline for Submission: May 1st, 2007**
- The **acknowledgement of receipt form** will be returned to the Presenting Author by the Congress Scientific Secretariat as soon as the abstract has been received.
- The presentation of **any abstract will be as poster** (1,5 mt high and 1 mt wide).
- The Scientific Committee will select only a few abstract for oral presentation at the "Case presentations" sessions.
- **Notification** of acceptance for presentation (poster or oral) or rejection will follow by **May 30th, 2007**.
- All papers presented at the First World Meeting of Interdisciplinary Melanoma Centers become the property of the meeting. Abstracts which have been accepted, may be published in the Abstract Book.

Abstract Preparation Instructions

1. Author/s Institution

List the authors, institute(s) where the work originated, city and country.
Authors should be listed by surname followed by initials only -do not include first names-.
The person presenting the paper should have his/her name underlined.
Omit degrees, titles, institutional appointments, street addresses and post/zip codes.

2. Title

The title should be in upper case (CAPITALS) and extend to no more than two lines.
Abbreviations must not be used in the title.

3. Other

Only standard abbreviations may be used without definition.
Only essential references should be included. These should be listed numerically in the text.
Use generic drug names only.
Do not begin sentences with numerals.

4. Style

The abstract must be typed, single-spaced in English and contained within the indicated rectangle.
Practice typing the abstract in a rectangle 17 cm. high x 1 cm. wide before using the original Abstract Form.
To maintain legibility after reduction for printing, a minimum type size of 10 points must be used.
Do not reduce the text by photocopier to enable more text to be included.
Do not use typefaces that resemble script, ensure uniform spacing between lines and do not squeeze lines to fit text. If necessary, the final line may touch the border.
Abstracts not conforming the these regulations will be rejected.
Abstracts must not contain more than 28 lines excluding title and author/s.
Linguistic accuracy is the responsibility of the author/s.
Abstracts will be considered as camera-ready and reproduced as such for the Abstract Book.
